DECLARATION OF CHRISTOPHER VENN

1. My name is Chris Venn. I have personal knowledge of the facts contained in this declaration, and if called to testify, I could and would testify competently as to the truth of the facts in this declaration.
2. I am part of an organization called San Pedro Neighbors for Peace and Justice. As part of that organization, I go out and talk to friends and neighbors who are unhoused and monitor sweeps of unhoused people's property in the neighborhood.
3. In late July and early August, 2020, I heard that the city would be conducting clean-ups in the area around the new shelter on Beacon Street, which is near where a number of my unhoused friends and neighbors stay. I was in the area around the Beacon shelter on Sunday, July 26 and did not see any paper signs posted about the zone.
4. On July 27, 2020, I went back to the area and saw that there were now metal Special Enforcement and Cleaning Zone signs around the area.
5. Attached as Exhibit A are true and correct copies of five photos of four different signs that I took at 7th and Beacon, inside the SECZ, on July 27, 2020.
6. After seeing the signs, I believed that they would not be cleaning and enforcing in the SECZ until August 7, because the signs all clearly stated that the zone did not take effect until August 7, 2020. I also assumed that the cleanups would take place on Tuesdays, because that is what the sign says.
7. I did not know about the cleanup on July 31, 2020 until Saturday, August 1, after it happened. If I had known the cleanup was scheduled, I would have been there to monitor it.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on August 16, 2020, in Los Angeles, California
